

Evangelist Scott Grogan

Dear Brethren,

I am very excited and also very thankful to be able to send out my very first prayer letter. God has done so many wonderful things in my life, and now in my ministry, that I find myself rejoicing with *joy unspeakable*.

Over twelve years ago, the Lord saw fit to call me to preach and ever since His strong guiding hand has been leading me to where He wants me to be. The Lord has put me into the work of evangelism and the desire of my heart is to preach God's Word wherever He gives me the opportunity.

Christ told His disciples, before He sent them out two by two, in Matthew 10:27 **“What I tell you in darkness, that speak ye in light: and what ye hear in the ear, that preach ye upon the housetops.”** I am in awe that God would not only give us His word, but also give us the Holy Spirit to speak in our hearts to tell us what to say. Christ has given us His work, and His word, and we go unto all the world to carry out His will.

In the past month, God has given me so much to be thankful for. Two churches have taken my ministry on for support. I am so very grateful for the loving kindness of the brethren not only for their financial help, but most of all for the prayers and encouragement I have received.

Over the past few weeks, the Lord has given me the chance to preach at several vacation Bible schools and Youth meetings. Sharing the Word of God with young people is something I have loved doing since the Lord first called me. Seeing the Holy Spirit move in the hearts of children and teens is a wonderful blessing. America needs more of that, for our young people to have a great revival in their hearts and to see the moving of God in their lives.

I ask that you please pray for me, that God continues to work in and through me everywhere that I go.

Prayer Needs

- Prayer Support - Most of all I need your Prayers.
- Lost Souls – Our first desire is and always shall be that God save the lost before it is too late.
- Open Doors – That God would give me the opportunities to preach and the messages needed in those hours.
- Health – I have many health issues in my life, but I know that God is in control. I ask that God help me to be able to keep traveling and doing his will.

God Bless you!
Scott Grogan

How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? Romans 10:14 KJV
